STUDY GROUP AND PRONAOS LOCATIONS

Study Groups: Study Groups are open to the public and afford an opportunity to interact with others who share the same spiritual teachings and practices, gaining mutual benefit from the experience of fraternal harmony offered by group work. The primary purposes of Study Groups are to foster the development of consciousness as set forth in the B.O.T.A. curriculum, to help incorporate the principles of Ageless Wisdom in everyday life, to enjoy together the operation of the One Will in all the circumstances of our lives, to encourage the development of fraternal Love and Harmony, and to provide an open door to the Mysteries to all who genuinely seek them.
